All sizes are in centimeters*

How To Measure

CHEST/BUST: Wrap the tape around the fullest part of your chest, keeping it level.

WAIST: Find the narrowest part of your waist (where you bend) and measure around it.

HIPS: Measure around the fullest part of your hips.

WEIGHT (LBS): Weigh yourself on a scale to get your current weight for size reference.

If you cannot decide between two sizes, please choose the smaller size for a tighter fit or the larger size for a looser fit.

All measurements are subject to +/- 1 inch difference
