All sizes are in inches*

All sizes are in inches*

How To Measure

LENGTH: Measure the longest part of the torso, beginning from the shoulder collar.

BUST: Measure horizontally around the fullest part of your bust.

WAIST: Measure around the narrowest part (typically where your body bends side to side), keeping the tape horizontal.

If you cannot decide between two sizes, please choose the smaller size for a tighter fit or the larger size for a looser fit.
