All sizes are in centimeters*

How To Measure

- CHEST/BUST:** Wrap the tape around the fullest part of your chest, keeping it level.
- LENGTH:** Measure from the top of your shoulder down to your desired length.
- WAIST:** Find the narrowest part of your waist (where you bend) and measure around it.
- 1/2 WAIST:** Measure around the fullest part of your waist, then divide by 2.
- OUTSEAM:** Measure from the waist down the outside of the leg to the ankle or desired length.
- INSEAM:** Measure from the crotch down the inside of the leg to the ankle or desired length.

If you cannot decide between two sizes, please choose the smaller size for a tighter fit or the larger size for a looser fit.

All measurements are subject to +/- 1 inch difference
