## How To Measure **CHEST/BUST:** Wrap the tape around the fullest part of your chest, keeping it level.

**LENGTH:** Measure from the top of your shoulder down to your desired length.

**WAIST:** Find the narrowest part of your waist (where you bend) and measure around it.

**OUTSEAM:** Measure from the waist down the outside of the leg to the desired length. **INSEAM:** Measure from the crotch down the inside of the leg to the desired length.

If you cannot decide between two sizes, please choose the smaller size for a tighter fit or the larger size for a looser fit.
