How To Measure

CHEST/BUST: Wrap the tape around the fullest part of your chest, keeping it level.

LENGTH: Measure from the top of your shoulder down to your desired length.

WAIST: Find the narrowest part of your waist (where you bend) and measure around it.

OUTSEAM: Measure from the waist down the outside of the leg to the desired length.

INSEAM: Measure from the crotch down the inside of the leg to the desired length.

If you cannot decide between two sizes, please choose the smaller size for a tighter fit or the larger size for a looser fit.

All measurements are subject to +/- 1 inch difference
